

SÄHKÖVERKKOPÄIVÄT

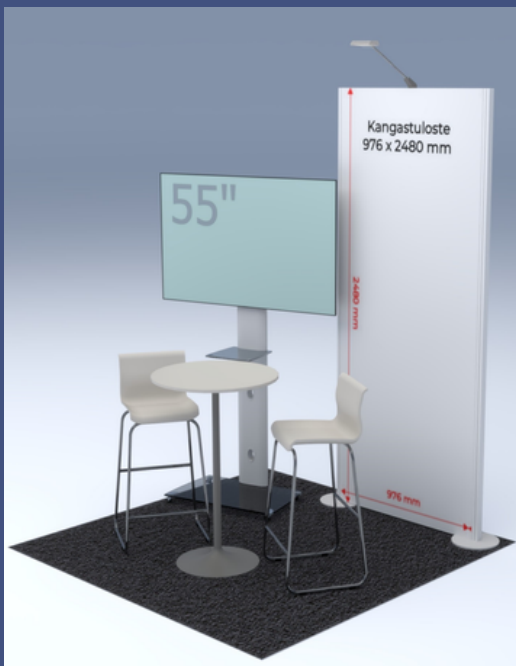

"ELECTRIC GRID DAYS"

1.-2.9.2027, CLARION HELSINKI

Approximately 150-250 attendees from the electric grid field from all over Finland will take part in Sähköverkkopäivät 25.-26.8.2026 in Helsinki. At Sähköverkkopäivät, we will discuss current issues, look to the future, and grow networks.

In connection to the seminar there will be an exhibition area where partner companies will have the opportunity to present their products and services to electrical grid experts and procurement decision-makers.

The exhibition area is open throughout the seminar, so visibility is assured.
